

The Owner's Room

CONSULTATION GROUP FOR GROUP PRACTICE OWNERS

A space to think, problem-solve,
and move forward.

The Owner's Room is an in-person consultation group for group practice owners navigating the realities of private practice ownership. Bring your questions, challenges, and ideas, and gain guidance, reflection, and perspective in a supportive, collaborative space.

The goal isn't
necessarily a bigger
practice.

It's a more
sustainable one.

CONSULTATION

Bring what you're
navigating and get
fresh perspective.

REFLECTION

Step out of the
day-to-day and
think more clearly.

GUIDANCE

Practical ideas and
support from
someone who
understands.

CONNECTION

Be in community
with other
practice owners
who get it.

FOCUSED ON WHAT MATTERS

This consultation group is focused on private practice development, maintenance, management, sustainability, and systems.

Topics may include:

- Financial sustainability
- Staffing and team dynamics
- Leadership and management
- Policies and procedures
- Workflow and operational systems
- Billing and insurance
- Clinic culture and communication
- Owner workload and boundaries
- Overcoming challenges
- Creating a practice that works for you
